

Tor Rhuann Designs

Trick or Treat!

One of my favorite Halloween activities is carving Jack-o-lanterns and setting them outside for trick-or-treaters. This little design allows you to “carve” your own pumpkin...without dealing with the messy pumpkin innards!

Stitch count: 32x32

This was a rather late inspiration, so I put out a call for model stitchers at nearly midnight on the 29th...by midafternoon on Halloween I had *five* responses! Be sure to check out their creative stitching on this page and the next!

Credit for the spider dangling from the bottom goes to my daughter. Two pumpkinheads are better than one!

Model by Terry Allison
Colors: WDW “Jack O Lantern”
DMC 310, 550

Model by Claire (RedStormCA)
Colors: Kreinik #4 026
Generic orange craft floss

See next page for more models and faces!

*Please feel free to select your own color scheme. I love to see other stitchers' imaginings of my designs!
Also, if you wish your finish to be included in my gallery, please do drop me a line!*
