## Christmas Pudding

**Stitch count: 48x48**

*Suggested threads: Brown (an overdyed would look lovely), silver or white, green.*

*Suggested beads: red, gold*

A take on a traditional Christmas pudding, which you can embellish (and 'frost') as you wish.

For fruit bits, I've shown red and gold beads, but you can use whichever colors and placement you desire – I've just scattered a few as an example.

Try a mix of bright red and green beads or threads for a more American fruitcake look, or scatter white beads for powdered sugar.

Try gold instead of silver to light your pudding on fire.
