

Tor Rhuann Designs

2020 Ornament

Is it a snowflake? A rangoli? Overlapping isolation bubbles? No matter your interpretation, or color scheme, may this bring some light to this singularly unpleasant year.

Stitch count: 32x30

When is a snowflake not a snowflake? Choosing a scheme other than blues and/or silvers can make this whatever you wish!

Feel free to add or subtract beads, or replace the outer diamonds with crystals if you wish.
